

## Subscription Form

Rates 2019

To subscribe to the PowerPlant Chemistry® Journal, please fill in this form and check the appropriate boxes. The rates given below are for a subscription for one year (two-year rates are given in parentheses). PowerPlant Chemistry® Journal is published 6 times a year.

The journal is available – in addition to the printed version – as an e-paper. The e-paper is a complete copy of the printed issue and is sent to the readers by e-mail. A subscription to our e-paper requires accepting and signing of the license agreement, available on our website.

Organizations such as utilities, suppliers, research institutes, and universities may order multiple print copies and/or e-papers. Please contact us if you want to find out more about subscription rates for organizations. If you are not sure whether your organization already subscribes to our journal, please contact us and we will check in our database.
